

## SECTION 19

### ADMINISTRATIVE AND FUTURE DEVELOPMENT ISSUES

---

#### 19.1 State *Mobilization Plan* Review and Amendment

The State Fire Defense Committee will review and debrief state mobilization actions and develop recommendations for improvements to this *Mobilization Plan*.

The development of state mobilization and reimbursement procedures for the efficient movement and equitable reimbursement of firefighting resources statewide is a dynamic process. Additional lessons gained from the experience of actual mobilizations of fire resources to major emergency incidents of all types will prompt future revisions and refinements to this *Mobilization Plan*.

#### 19.2 Regional Plans

As required by RCW 38.54.040(7), each Fire Defense Region (see Appendix A) will develop a Regional Fire Defense Plan that is consistent with the *Washington State Fire Services Resource Mobilization Plan*, the incident command system (NIIMS ICS), and other regional response plans that are already adopted and in use.

#### 19.3 Training

The *Washington State Fire Services Resource Mobilization Plan* and related procedures serve as the major training tools for developing knowledge of how state fire resources mobilization will occur in Washington State. The State Fire Defense Committee will develop appropriate training to support the *Mobilization Plan*.

---

If there are any questions or suggestions regarding this *Mobilization Plan*, please address them to any State Fire Defense Committee member (see Appendix B.2).
